

TRIET NGUYEN

3D Artist

nguyentriet489@gmail.com • 0943921167
Ho Chi Minh city, Vietnam

Hard-working and well-organized student currently studying Interactive Media Design looking to join a game or animation studio as a 3D animator and 3D modeling artist. Proficient in Adobe Creative Suite (especially Photoshop) and skilled in modeling and animating characters. Eager to create things from 2D to 3D and bring life into character by key frames. Highly motivated, detail-oriented, and dedicated to continuous learning and professional development.

Areas of Expertise

- 3D modeling
- Adobe Photoshop
- 3D animation
- Photo retouching
- Autodesk Maya
- Product Photographing

Professional Experience

Larvincy Jewelry, Ho Chi Minh city
Jewelry Photograph and Retouching

October 2022 — May 2024

Larvincy Jewelry is an E-commerce company mainly focused on the sale of jewelry product such as necklace, bracelet and ring. My Job was to:

- Take multiples of photographs of the featured jewelry.
- Retouch the photos by removing the stains and dust.
- Color grade in the post production.
- Come up with ideas for posters in occasions like Christmas, Valentine.
